Standard Registration. If using an email, ensure your passwords match exactly.

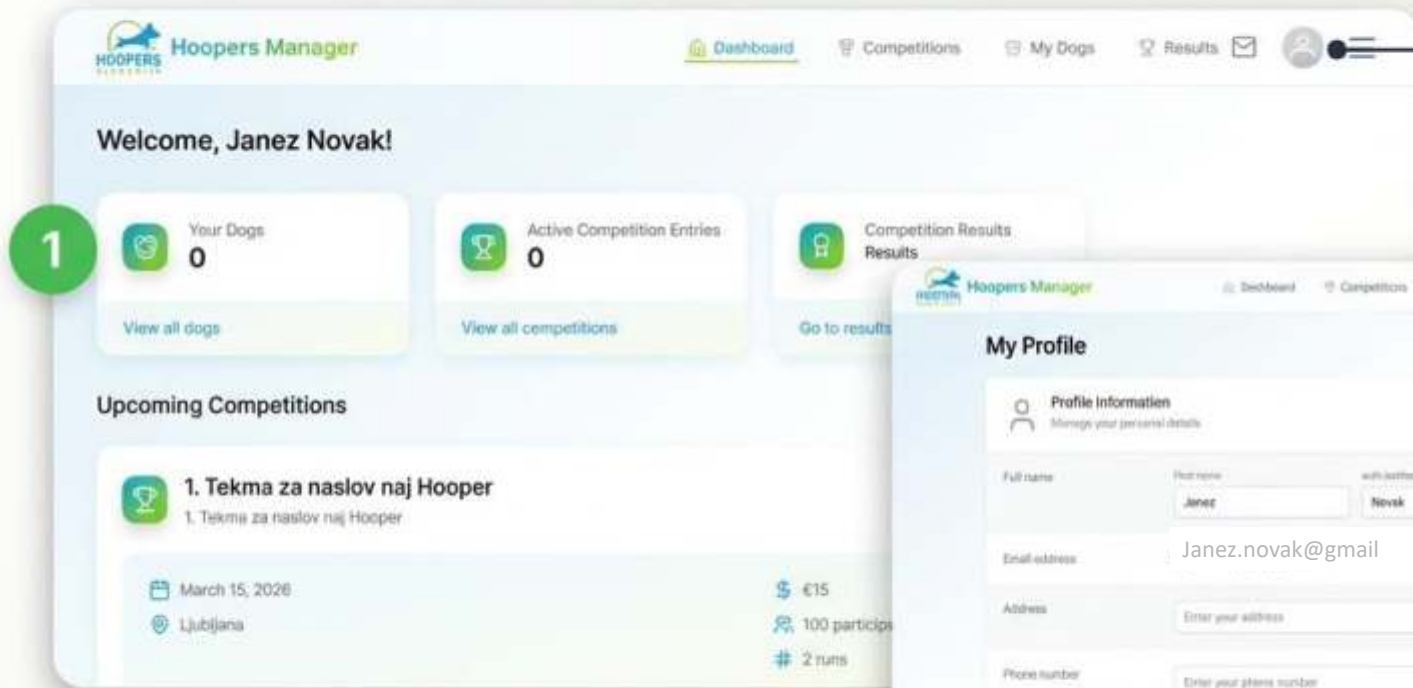

3

You must click the 'Confirm my account' link sent to your inbox before logging in for the first time.

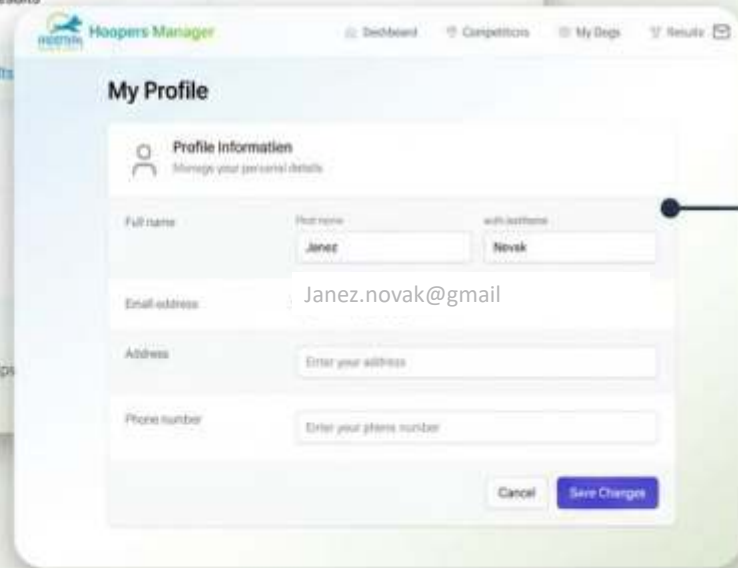

- **Important:** If you do not receive the email, please check your Spam folder.

Step 2: Navigating the Dashboard & Your Profile

2

Before adding a dog, navigate to the top-right menu and select Profile.

3

Update your personal handler details—Full Name, Address, and Phone Number. These details tie your identity to your dog's future competition entries.

Your clean slate. The Dashboard provides an overview of your active dogs, competition entries, and latest results.

Step 3: Building Your Digital Kennel

Under the **My Dogs** tab, click **+ Add New Dog** to lay the foundation for competition entries. Mandatory fields are marked with an asterisk (*).

Step 4: Finding & Evaluating Competitions

The Dashboard lists all upcoming events. Expanding an event reveals everything you need to know before entering.

The screenshot displays the 'Hoopers Manager' interface. The main section is titled 'Competitions' and features a list of events. The selected event is '3. Tekma za naslov naj Hooper', which is a '3. Tekma za naslov naj Hooper'. Key details are highlighted with callouts:

- Logistics:** A callout on the right side of the event card shows a price tag icon with '€15', a person icon with '100', and a hash icon with '# 2', indicating the entry fee, maximum participants, and number of runs respectively.
- Event Management:** A callout on the left side of the event card shows a calendar icon with 'May 25, 2026', a location pin icon with 'Radovljica', and a clock icon with 'Register/Cancel by: May 24, 2026'. Below this, it lists the 'Organiser: Miha Organizer' and 'Event Manager: Jenez Vodriani'.

Below the event details, there is a 'Judges' section with a list of judges and their categories:

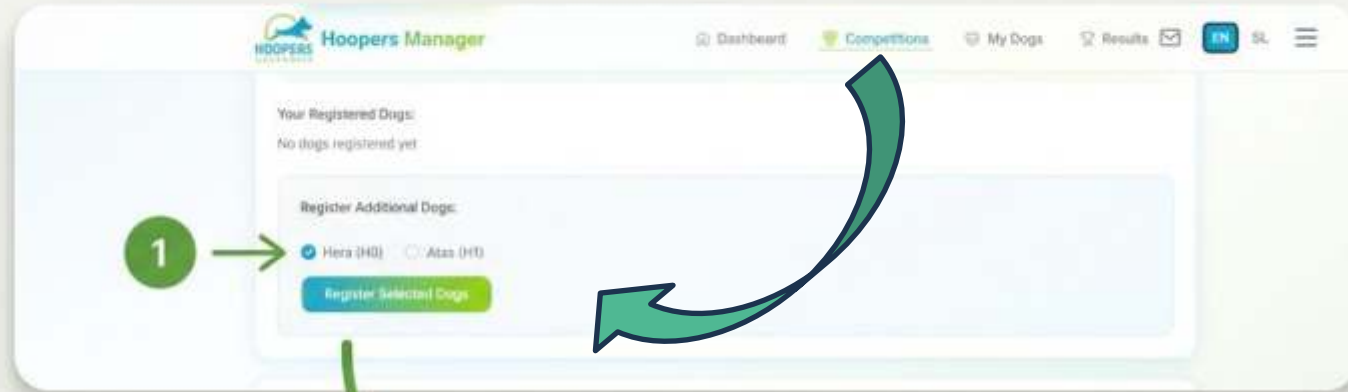

- Sodnik Razzodnik
- H0 m / obstacles
- H1 m / obstacles
- H2 m / obstacles
- H3 m / obstacles

At the bottom of the page, it states 'Your Registered Dogs: No dogs registered yet'.

1 Logistics: Instantly view the Date, Location, Entry Fee (€), and Maximum Participants allowed.

2 Event Management: See the designated Organiser and the specific Judges assigned to each category (H0, H1, H2, H3).

Step 5: Registering for an Event

Step A: Scroll to the bottom of the competition details. Select the checkbox next to the eligible dog (e.g., Hera) and click **Register Selected Dogs**.

Step B: The system updates the status to a yellow **Pending** label.

Step C: If plans change, you can easily withdraw your entry by clicking the red **Cancel** button, provided the registration deadline has not passed.

1 Strict Deadlines

The system enforces cut-off dates automatically. A yellow warning banner will appear when the registration and cancellation period has ended, locking in the final roster.

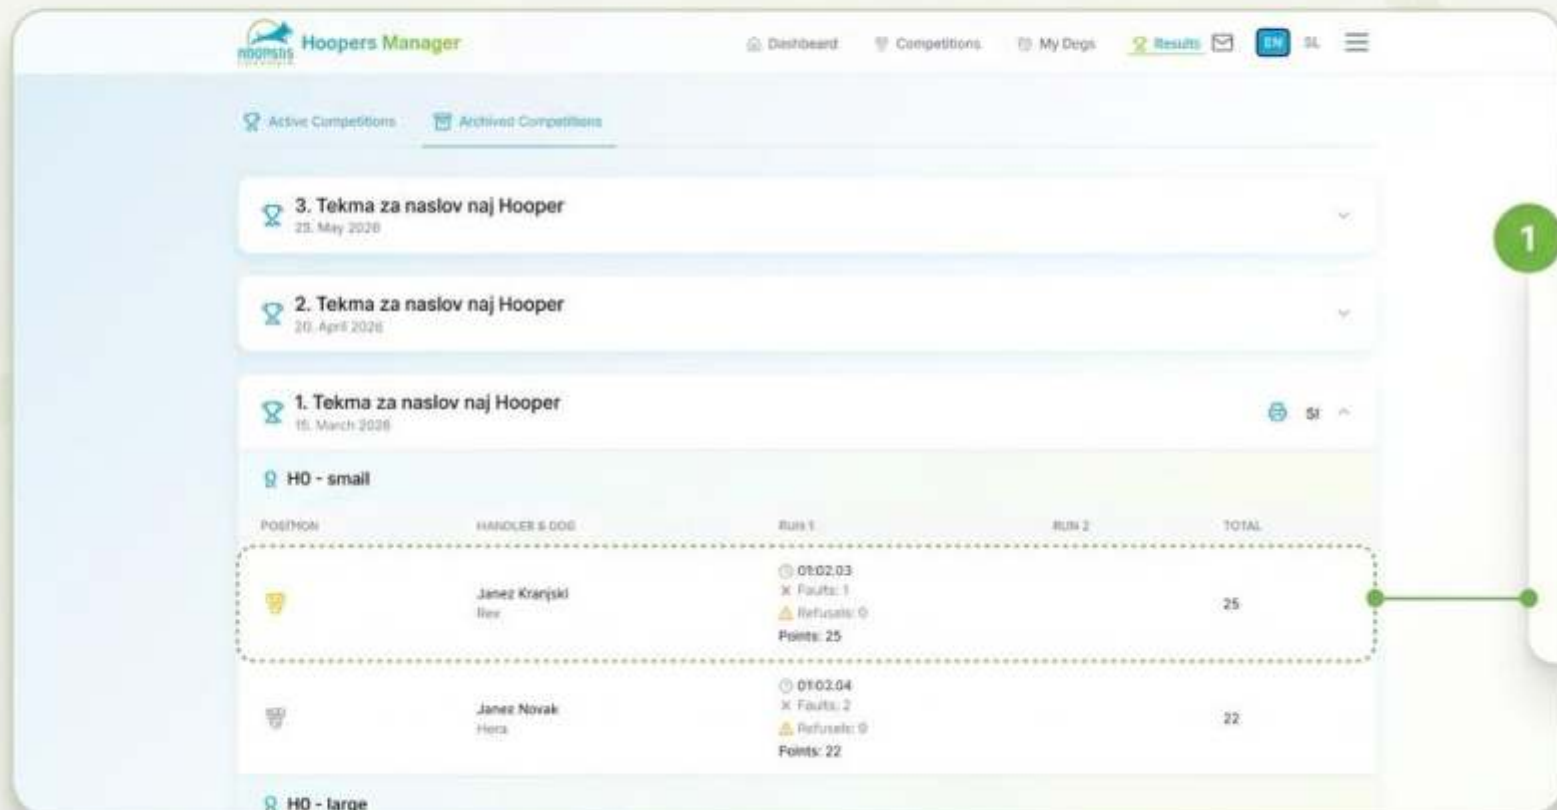

2 Who are you running against?

Use the menu on the right side of the competition name to access the Entries / **Start list** to see the full list of competitors.

3 Organizers will publish the official Start List here on competition day.

Step 7: Tracking Official Results

Navigate to the **Results** tab to review the outcomes of archived competitions.

The screenshot shows the 'Results' tab in the Hoopers Manager application. The page displays a list of competitions under the 'Archived Competitions' filter. The selected event is '1. Tekma za naslov naj Hooper' from March 16, 2026. The event details for 'H0 - small' are shown below, including a table of competitor results.

POSITION	HANDLER & DOG	Run 1	Run 2	TOTAL
1	Janez Kranjski Iber	01:02.03 X Faults: 1 Refusals: 0 Points: 25		25
2	Janez Novak Hera	01:02.04 X Faults: 2 Refusals: 0 Points: 22		22

Expanding a completed event displays official placements organized by category. You can review precise metrics for every competitor, including Run Times, Faults, Refusals, and Total Points earned.

Step 8: The Digital Working Book

Clicking the Trophy icon next to your dog in the 'My Dogs' tab opens their comprehensive Digital Working Book (Delovna knjižica psa).

Value Add: This view aggregates the dog's entire competitive history in one unified place. Crucially, it gathers results across all events, even if the dog competes with different handlers at different times.

Step 9: Logging External Results

Maintain a flawless global record by logging international runs (e.g., competitions abroad like 'Competition NL').

Click **+ Add External Result** to manually input the Title, Location, Date, Time, Faults, and Points.

Unlike locked official results, manually added entries feature edit (pencil) and delete (trash) icons so you can easily correct mistakes later.

Step 10: Exporting Your Achievements

Whether you need a physical copy for your club or just want a personal archive, Hoopers Manager makes formatting easy.

Callout: Click the Print button inside the Digital Working Book, or use the blue print icons on the main Results page to instantly generate a clean, formatted PDF of your dog's complete achievements.

Step 11: Staying Informed with Direct Messaging

Stay updated with important announcements directly within the Hoopers Manager dashboard.

Look for the red notification badge on the envelope icon in your top navigation bar. Organizers use this system to broadcast critical, time-sensitive updates.

Example:

If poor weather forces a start time to shift (Sprememba tekmovanja), you will receive the official alert directly in your dashboard so you never miss a run.
